SPRING SUMMER 24

WELCOME TO THE BEST SUMMER OF MY LIFE

Hi! I'm Vega. This summer, I decided to go away on my own.
You know! A vacation to disconnect and do whatever I want,
whenever and however I want.

Reading, walking, picking flowers, going to the beach...

But... I got to the campsite and Emma changed my plans.

She is the reason of everything. She appeared to change my summers. She showed me the NO RULES of the campsite. And to be honest, I got used to them quite fast. She is funny, cheerful...you never get bored with her by your side! Here, we enjoyed every hour to the fullest! Her favourite 'NO RULE': You cannot laugh less than a million times a day.

EMMA

then... I met them!

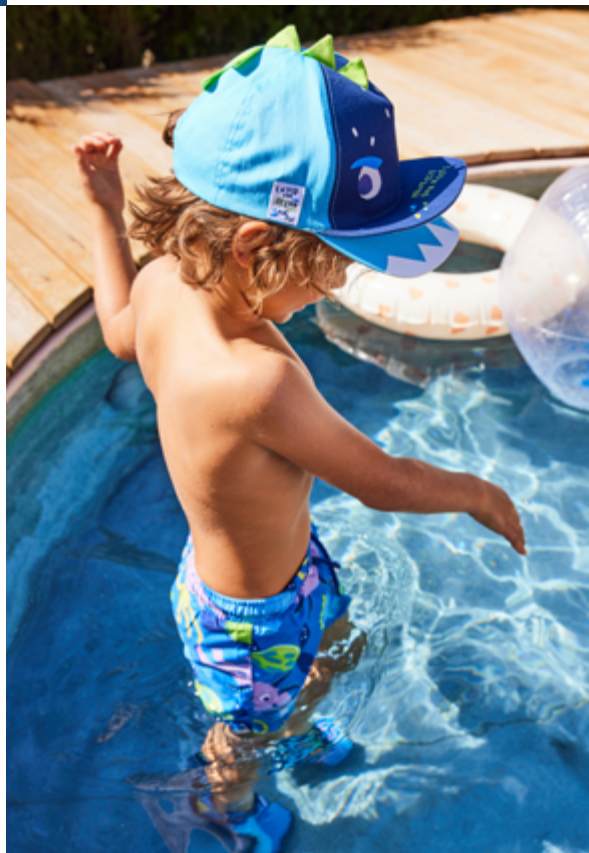

Victor can't stay still. With him, laughter is guaranteed. You can find him doing somersaults on the beach, splashing everyone in the pool, or hiding inside a pile of floaties. That's him. His favorite 'NO RULE': You're not allowed to get bored.

VICTOR

He's our showman. He knows how to do everything: playing the ukulele, telling jokes, surf... Besides, he's the ringleader of all the things we come up with to do at the campsite. Both the good and the mischievous ones. He always has something up his sleeve. His favorite 'NO RULE': You cannot eat less than one ice-cream a day.

TOM

WE HAVE GROWN A LOT!

I don't know if it was the sea, or the fits of laughter, or the sunsets with chill music in the background, but our friendship went from 0 to the infinite and beyond.

Since then,
we meet here
every summer.

My vacations will always
be wherever they are.
In fact, they are
my vacations!

*Because the opportunities are
endless when you have true
friends beside you.*
